INTERIOR DESIGNERS TAKE HOME AWARDS FOR OUTSTANDING WORK IN RESIDENTIAL, CONTRACT, AND DETAIL PROJECTS

Interior designers from the Palm Springs and Inland Empire will be feted this month, when the local chapter of the American Society of Interior Designers presents its annual installation, awards, and four-course holiday dinner event at Wally's Desert Turtle in Rancho Mirage.

A jury of members from another ASID chapter have evaluated each entry on sev-

eral criteria: scale and proportion, color, composition, innovation, creative use of space, functional use of space, effective use of lighting, appropriate design solution, relationship of materials, textures, and patterns. The jury reserved the right to withhold an award if, in their opinion, nominations failed to meet the criteria.

On the following pages, we present the winners by category.
